∞ JULY 2021 NEWSLETTER ∞

The Summer Minicamp, Saturday Intensives, and the Ballet Workshop all in June were successful and had positive feedback. The staff and guest teachers enjoyed teaching the kiddos that took these classes. On another note..... I have just learned that in Studio II I have had a roof leak over sometime now and it has been leaking between the outside front rock wall and inside studio wall. It has been coming in under the sub floor in St. II. So, I am in the process of fixing the outside hidden roof leak, tearing out the entire Studio II floor and replacing it with a brand-new one. It is one big mess! But the finished product will be worth it! With that said, my summer is going fast, and I hope your summer is going great and everyone is well. Below are some reminders:
